

4626.0320 FOOD DISPLAY; PROTECTION FROM CONTAMINATION. 3-306.11

A. Except for nuts in the shell and whole, raw fruits and vegetables that are intended for hulling, peeling, or washing by the consumer before consumption, food on display must be protected from contamination by the use of packaging; counter, service line, or salad bar food guards; display cases; or other effective means.^{p1}

B. Food preparation and cooking areas must be protected by an impervious shield or by a separation distance to ensure customer safety and prevent food contamination by customers.
